

# OPEN211 NOTIFICATION FLAGS

The most important people to tell about Open211 are the employees working at social programs. By using these handy flags you can give out a quick reminder that will encourage people to upload directory level information about the program they work for!

## HOW TO ASSEMBLE THE FLAG

1. Fill in the bonus flag with your own message (optional)
2. Print this page out. Extra points for full color!
3. Cut out the flags using scissors or a boxcutter
4. Keep flags in your bag, wallet or purse

## HOW TO USE THE FLAG

1. Find a friend who works at a social program
2. Give them a flag and tell them about Open211
3. Have them tell their coworkers and friends!
4. Tell them to place the flag in a conspicuous location
